

Azerbaijan State Maritime Academy

Information about the conference

We would like to inform you that on November 17-18, 2022 the Azerbaijan State Marine Academy will host the international scientific and technical conference “**Modern problems and development outlook of power engineering**”, dedicated to the “**Year of the city of Shusha**”. We are pleased to invite you to participate in the organized conference.

The conference will cover the following topics:

1. Technical sciences.
2. Green energy technologies.
3. Fundamental and humanitarian sciences.

Paper Submission Guidelines

1. The manuscript text is to be prepared in the A4 (210×297 mm) format with 25 mm margins at the top and bottom, 20 mm on the left and right. The volume of the manuscript should not exceed 4-8 pages.
2. In each paper UDC indexes and/or PACS type codes should be indicated.
3. The paper can be published in three languages: Azerbaijani, Russian and English.
4. Abstract of the paper should be in 3 languages and consist of 100-150 words. Abstracts in different languages must be the same and must conform to the content of the paper. Key words should be given in three languages: Azerbaijani, Russian and English (not less than 5 words)
5. The text should be written in Azerbaijani language in Latin, in Russian language in Cyrillic and in English language in Latin alphabets, in Times New Roman font, size 12 pt, with single-line spacing.
6. Equations and formulas should be separated from the text by one empty line.
7. Formulas should be numbered consecutively with Arabic numerals placed in round brackets on the right side of the line.
8. Explanations of symbols and numerical coefficients should be given immediately below the formula, in the order in which they appear in the formula.
9. In the conclusions of the paper, in accordance with the nature of the scientific field and the paper, the scientific innovation, importance of application, economic efficiency and main results of the work should be clearly stated.
10. The list of references given at the end of the paper should be given in the order in which the cited reference is found in the text. They should be cited as reference [1] or [1, p.119]. In the list of references scientific articles, monographs, etc. of the last 5-10 years should be preferable.
11. The company where the author(s) works and its address, and the author's e-mail address should be indicated in the paper.
12. The pages should be numbered by pencil in the right bottom corner of the paper.
13. The following sequence should be expected in the manuscript:
 - UDC index (bold, size 11pt, in capital letters, should be written at the top of the paper, in the left part of the paragraph);

- the title of the paper (bold, size 12pt, should be written in capital letters, two spacings should be between the UDC index and the title of the paper);
- surname, first name, patronymic of the author(s) (bold, size 12 pt, lowercase, single spacing between the title of the paper and the surname of the author(s));
- name, address, e-mail of the organization (size 12 pt, italics, should be written in small letters, single spacing should be between the surname of the author(s) and the name, address, e-mail of the organization);

Paper structure:

- **Abstract**
- **Key words**
- **Introduction**
- **Problem formulation**
- **Analysis of the results**
- **Conclusions**
- **References**

14. Paper should be presented in manuscript printout form (2 copies) and electronic version.
